
‘Saving the world’ and improving your business

CAF Australia guides and supports you to develop better ways to improve your business – internally and in the public perception of your name.

CAF Australia provides consultancy and management to help you:-
Improve company morale - Position your business – Align business strategy with your Corporate Social involvement – Make the world a better place.

CAF is an international not-for-profit organisation that provides all employees with programs that involves them and your business in the community you service.

OUR SERVICES:

- **Grant Management**
- **Matched Giving Programs**
- **Foundation Accounts**
- **Prescribed Private Funds**
- **Foundation Management**
- **Online Credit Card Donation Facilities**
- **Workplace Giving Programs**
- **Volunteering**
- **Investors in Community**

Your people can be a team giving something back to the community; your management can show support for their effort with Matched Giving for staff donations and volunteering; as a group you can establish an ongoing tax deductible Foundation to grant funds to community and charitable not-for-profits. It is a combination that can add value to your business.
